**From the Chair:**

Think of your own Home Group, only much better attended and with really huge stakes in AA's future. That would be the 56<sup>th</sup> Annual General Service Conference, held in New York City, April 24-28. It always troubles me when I hear sometimes: *'That really doesn't concern me as an average AA member.'* That is so the opposite. We are, now, individually, the personal custodians of the preservation of this beautifully spiritual fellowship. Please see that your own beloved Home Group which you attend each week has a GSR along with an Intergroup Rep. That will fulfill the groups' responsibility to the next generation of alcoholics to come. Let's not be so removed from the sacred inheritance that Bill, Bob and the old timers left us.

On the behalf of Nassau Intergroup's committees, Reps, and all members, we send our love, support, and prayers to our Area Delegate, Bill C. He will make the sacrifice of time and energy on our behalf at this week long business meeting. For that we are grateful. Remember too that April is Alcohol Awareness Month to the public. Let's be that reflection of the Big Book they may witness. Thanks for letting me serve.

Together We Can,
